

Seicheprey 2023 Terms & Conditions—Knee Deep Into History, LLC— 8 Sept. 2022

General

- This tour is being offered by Knee Deep Into History, LLC., headquartered in Winchester, Virginia. We apologize for pages of legalese, but any international battlefield travel carries risks that we want our participants to understand fully before booking.
- The Connecticut Heritage Foundation is only providing marketing assistance and input regarding the tour content and tour structure.
- Contact us with any questions or concerns: kneedeepintohistory@gmail.com or 908.451.0252.

Special Covid-19 Considerations

- Knee Deep Into History, LLC, and its officers and guides cannot be held liable for participants catching Covid-19 on a battlefield trip; or for any transportation and medical treatment costs resulting from Covid-19.
- Likewise, we cannot be held liable for costs and inconveniences arising from Covid-19 related travel restrictions imposed by foreign governments or branches of the U.S. Government; although we will make every effort to help our customers through the turmoil.
- For these two reasons, we strongly encourage our participants to explore travel insurance; and to read their policies carefully before purchasing such insurance.
- **France eliminated the requirement of a Vaccine Pass in March 2022 and the requirement for a COVID Certificate in August 2022.**
 - However, in the event of a dangerous variant, a system requiring a negative virological test upon entering France may be reinstated for travelers arriving from countries believed to be at risk.
- **The government's action was possible for two reasons: The high percentage of French citizens who have received the original and at least one booster vaccine as well as the general spread of COVID variants through the population.**
- **WE STRONGLY ENCOURAGE participants to be vaccinated—including at least one booster shot—prior to the trip. This protects both the individual AND the other tour participants.**
- Our suppliers (bus companies, hotels, museums, etc.) will be following the guidelines and laws of their respective country. These may be more or less strict than guidelines recommended by the CDC or laws enacted in a state or in the USA.
- We will keep participants updated regarding French Covid-19 rules as the tour approaches.
- There is a slight possibility that we will have to raise our stated prices modestly as a result of our suppliers' higher costs due to Covid-19 mitigation efforts, but this is most likely to occur in the case of another variant outbreak.

Deposits & Reservations

- A deposit of \$600 is due at the time of reservation.
- The balance is due 90 days prior to departure.
- Reservations are only firmly held when we receive three items: 1) signed copies of the registration form, 2) signed copies of the Terms & Conditions last page and 3) the \$600 per person deposit.

Price Increase / Foreign Exchange Fluctuation / Unforeseen Cost Increases

- Tour prices have been calculated conservatively using a foreign exchange rate of 1 Euro = \$1.20. To the extent that the dollar weakens for a prolonged period, we reserve the right to add a surcharge.
- Likewise, we reserve the right to add a surcharge to tour prices resulting from unforeseen cost increases, such as fuel spikes.

Cancellations by Us if Minimum is Not Met

- We reserve the right to cancel the tour up to 91 days prior to the trip, if we have fewer than ten paying participants.

- Costs not included are: 1) all dinner beverages, 2) dinners or lunches specifically excluded , and 3) souvenirs.
- When comparing prices with tours offered by other operators, understand that many other tour operators exclude numerous lunches and dinners.

Modification of Itinerary

- We will adhere to the published itinerary as much as possible. However, there are times when we will be forced to modify our itinerary due to weather conditions, strikes and protests, border closures, construction and maintenance, and similar events that are impossible to anticipate.
- We may need or elect to change hotels from those published in the tour flier. However, we will endeavor to select hotels of the same quality level—i.e. a three-star hotel for a three-star hotel.
- We intend to house all participants in the same hotel. However, with limited lodging in rural France, there is a small chance that this will not be possible.

Passports and Visas

- As a general rule, passports should have at least six months of validity when traveling internationally. Most countries will not permit a traveler to enter their country unless the passport is set to expire at least six months after the final day of travel.
- IT IS THE PARTICIPANT'S RESPONSIBILITY TO ENSURE THAT HIS / HER PASSPORT MEETS THIS REQUIREMENT.
- At the time of this writing, no visas are required for France.

Physical Condition

- This trip will include walks of moderate length (1-2 miles) and pace over moderate terrain.
- Participants are **STRONGLY ENCOURAGED** to build their endurance in the USA prior to travel so that they can participate in these walks.
- We will strive to organize alternative activities for participants who are unable to or who choose not to participate in the walks.

Physical Disabilities

- Participants must truthfully report, in detail, any disability or chronic medical condition at the time of registration or prior to departure, if such condition happened after registration.
- We reserve the right to talk with a participant's primary physician regarding the condition before accepting the reservation; and we reserve the right to cancel the reservation (as outlined in our client cancellation refund policy above), if the condition worsens prior to departure.
- We will make a reasonable effort to accommodate the special needs of a participant, as long as we can do that without inconveniencing the other tour participants or requiring too much attention of the guides.
- Participants need to understand that the Americans with Disabilities Act does not apply overseas, and that most countries are not as handicapped-friendly as the United States. For example, most traditional European hotels do **NOT** have ground floor hotel rooms or elevators.

Health Insurance Overseas

- American participants should check with their health insurance provider regarding coverage for healthcare expenses incurred overseas.
- We recommend that participants with a disability or chronic condition explore purchasing health insurance that includes emergency medical evacuation.

Healthcare Tip

- Please make sure to bring the following items with you on this trip: 1) Enough medication to cover the entire trip; 2) A list of all prescriptions; and 3) contact details for your doctor in the USA.

Trip Cancellation / Interruption Insurance

- **UNDER NO CIRCUMSTANCES SHOULD PARTICIPANTS ATTEMPT TO PICK-UP, DIG UP OR CARRY UNEXPLODED ORDNANCE.** Take a picture of it and bring it to the guide's attention, **BUT DO NOT TOUCH IT!**
- It follows that it should **NEVER** be carried onboard the bus or car.
